FOR-CREDIT AT MIT

INTENSIVE ITALIAN 1 & 2

An intensive “blended” course that meets twice per week and covers in one semester the material covered in the first two semesters of beginning Italian language and culture, this course requires a substantial amount of work online outside class meetings. Preparation includes online videos, interviews, and narrated slides, and exercises. Class time will be primarily devoted to practicing what has been learned online.

Instructor: Daniela Bartalesi-Graf, Lecturer in Italian Studies, Wellesley College.

For questions, please contact Daniela Bartalesi-Graf at dbartale@wellesley.edu or Serenella Sferza at ssferza@mit.edu

Satisfies the language requirement for the MIT-ITALY Program participants.
